Vaughan and Pia Guerra. "Got a pilot called Y: The Last Man which I'm going to direct!!!" Ice-T wrote on his Twitter. "And I'm actually gonna ACTUALLY direct a pilot! Last person that gave me a chance. I'm ready!" The show is based on the comic series, which debuted in 2014 from Vaughan and artist Pia Guerra, and follows Yorick Brown, a third-century philosopher and artist who becomes the last surviving male human after a cataclysmic event wipes out every other living thing. In the comic book, Yorick struggles to navigate the changing world of the post-apocalyptic United States, and he faces existential questions of personal identity and mortality, in addition to trying to keep the world from falling apart. In the series, Vaughan and Guerra have said that they hope to explore questions of identity in the future, when humanity has lost its gender and racial diversity, as well as the ability 2d92ce491b</sup></sup></sup>
